SUMMARY

I am a motion designer with 7 years of experience in creating 2D and 3D animations. Adept in Cinema 4D and After Effects, I enjoy collaborating to transform concepts into captivating visuals. Beyond animation, I have additional skills in video editing, photo editing, and basic graphic design. I have worked both on freelance projects and full-time with many companies and teams.

SKILLS

Animation • 3D Modeling • 3D Visualization • Video Editing • Color Correcting • VFX • Teamwork • Problem Solving • Efficient Resource Allocation • Leadership • Cinema 4D • Redshift • Octane Render • Arnold Render • After Effects • Premiere Pro • Illustrator • Photoshop • Marvelous Designer • Davinci Resolve • Ableton Live

EXPERIENCE

MOZAIKA.AGENCY

- Middle Motion Designer

33 Besik Burkiashvili St, Tbilisi, Georgia (Remote)

01/2024 - 03/2024

As a motion designer, I was creating 2D and 3D animations for live events, both on-screen graphics and event-inviting animations.

- Successfully delivered animations for high-profile events (BMW Experience, AUDI SQ8 Presentation).
- Organizing and preparing motion graphics on the event stage.

NOVATORI

- Senior Motion Designer & Video Editor

68 Shalva Nutsubidze St, Tbilisi, Georgia

06/2023 - 08/2024

As a senior motion designer, I collaborated with a team to develop a 2D animated explainer video about programming (Javascript). I also contributed to the production of motion graphics assets, GFX, video editing, and color correction for advertisements.

- Brainstorm with art director, designers, and copywriter and work on ideas on how to transform video content visually.
- Managing work with other motion designers to maximize efficiency.
- Making visual content for social media posts. For example: intro, video content, titles, etc.

MATTER.ADS

- Middle Motion Designer

11 I. Chavchavadze Ave, Tbilisi, Georgia (Remote)

01/2022 - Present

As a motion designer, I collaborated with a team of designers on various advertising projects. My expertise in both 2D and 3D animation allowed me to create dynamic and visually stunning content that effectively conveyed the client's message.

- Animating visual concepts.
- Providing guidance on video shooting techniques.
- Ensuring that the final animations met the highest quality standards.
